

DAS Logistics (Beijing) Co.,Ltd.

We are offering:

- General Air Freight Export & Import between Beijing and Mongolia via:
 - Mongolia Airlines MIAT (OM)
 - Air China (CA)
 - Korean Airlines (KE)
- Full container, Loose cargo and Break bulk cargo land transportation from China cities to Mongolia
- International Transshipment on-forwarding to Mongolia via:
 - Air Freight at Beijing (PEK airport, small cargo only)
 - Sea Freight at Tianjin (TSN seaport)
 1. Full Container
 2. Loose Cargo
 3. Break Bulk Cargo
- International Train Service to Mongolia, via Beijing (40' FCL only)

Remark:

1. Please check with our office for current rates as it fluctuates very often
2. Second leg of on-carriage transport is subject to Mongolia's confirmation; we will have to wait for Mongolia's notice when it can be transhipped
3. Consignee needs to be at Mongolia's border for import clearance
4. Demurrage (USD350.00/DAY) will generate the second day after shipment arrived at Mongolia Border, so client in ULN needs to do the import preparation ASAP & pick up the shipment without delay.

* We also have International Train Service to North West countries and Russia via Beijing (40' FCL only).
